

BMJ Quality

In collaboration with [Academic Health Science Network North East and North Cumbria](#) [1], we have purchased a year's subscription to [British Medical Journal \(BMJ\) Quality](#) [2], allowing healthcare professionals, including academics and those in training, in the north east and north Cumbria, to write their quality improvement projects using BMJ Quality and publish them in BMJ Quality Improvement Reports.

What is BMJ Quality?

BMJ Quality is an online platform which supports individuals and teams through healthcare improvement projects and onto publication. Building on the BMJ's strengths of using evidence and best practice, BMJ Quality empowers clinicians and organizations to play a more active role in helping to achieve better outcomes for patients..

What is included in the subscription?

As part of the subscription BMJ Quality provides the necessary framework, learning modules, tools and resources to make healthcare improvement simple. Access also includes an exclusive route to publication in the BMJ Quality Improvement Reports journal: a fantastic way to showcase and share your work. <http://quality.bmj.com/> [3]

How do I access BMJ Quality

In order for each user to gain access you will need to redeem an access code related to your trust or organisation. Each trust has been issued with a code and these are included in the table below.

If you are not linked to a trust and wish to write and publish your quality improvement work then please use either our access code 8580232739 or the Academic Health Science Network for the North East and North Cumbria (AHSN NENC) 3839632390.

To gain access to BMJ Quality, please go to <http://quality.bmj.com/redeemcodeuser> [4] and select the 'Redeem access code' button. Enter the code relevant to your organisation or trust from the table below.

Please feel free to share these details with your colleagues.
