

Health Education England ?Adding Value? Clinical Skills and Simulation Conference 2016 (Yorkshire and the Humber)

13 July 2016 09:00 to 16:30

Event Location:

Rose Bowl, Leeds Beckett University

The 3rd Clinical Skills and Simulation Conference will be held in Yorkshire and the Humber on the 13th July at the Rose Bowl, Leeds Beckett University. The region is recognised as a national leader on the clinical skills and simulation agenda and this year's Conference theme *Adding Value* will provide opportunity for delegates, presenters and exhibitors to demonstrate how best practice, quality assurance, multiprofessional working and return-on-investment all contribute to high quality and safe patient care.

Please see flyer attached in related documents at the bottom of the page.

If you are interested in attending the Conference, please go to the [Event Brite](#) ^[1] page to

register for a place.
