21 September 2016

Health Education England has now formally written to employers with the specific terms of agreement for enhanced protection on whistleblowing for doctors in training.

This extended whistleblowing protection for junior doctors, provides a new legal route directly against HEE, if required, for trainees who raise concerns and believe that HEE has caused detriment to them as a consequence.

Letter to employers and full terms of agreement below.

Guide to extended whistleblowing protection

We have published a short guide to the new whistleblowing extended protection we announced earlier this week.

The guide explains what the recently announced extended whistleblowing protection means for HEE's postgraduate medical and dental trainees.
