

The Podiatry Workforce for the Future Apprenticeship Implementation Workshop

Monday 10th December 2018

The Wash Houses, 25 Old Castles Street, London, E1 7NT

Following approval of the Degree Level Apprenticeship for Podiatry (May 2018), Health Education England (HEE) in partnership with East London NHS Foundation Trust (ELFT NHS) are pleased to invite Podiatry/AHP Leads from Provider Organisations and Higher Education Institutions to this 1st event to support the implementation of Podiatry Apprenticeships.

Aims and objectives of the workshop:

The workshop will introduce the work HEE and ELFT NHS are leading towards procurement of Podiatry Apprenticeships and offer opportunities for stakeholders to support and input into:

1. Scoping indicative numbers of Podiatry Apprenticeships across provider organisations in England
2. Support national procurement of Podiatry Apprenticeships through e.g. the establishment of provider collaboratives who will contributing to apprenticeship development with Higher Education Institutions
3. Liaise and work with Higher Educations Institutions to ensure career routes for Podiatry
