

# Covid-19 Medicines Handling Training

## Medicines safety eLearning

Three new medicines safety training sessions have been produced to help staff returning to practice refresh their medicines safety knowledge. Each session should take no more than 10 minutes to complete.

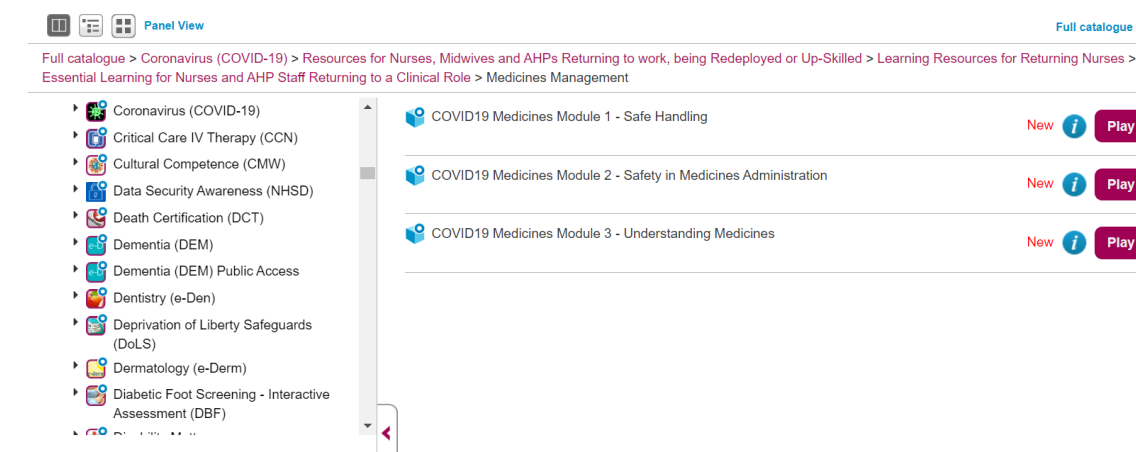

You can find the eLearning sessions within the [Coronavirus \(COVID-19\) Programme](#) on the eLearning for Healthcare portal

Please click on the links below to take you directly to each session:

[Covid19 Medicines Module 1 – Safe Handling](#)

[Covid19 Medicines Module 2 – Safety in Medicines Administration](#)

[Covid19 Medicines Module 3 – Understanding Medicines](#)
