# Health Education England at the Health and Care Innovation Expo 2019

---

**Thursday 5 September**

---

## **10:10 – Workforce transformation in urgent and emergency care**

**Presented by:** Matt Aiello - National Programme Lead, HEE; Professor Veronica Wilkie - Professor of Primary Care and Clinical Lead, HEE; Shalini Ganasan - Pharmacist ACP and Clinical Fellow, HEE

**Location:** People Zone

Find out how HEE uses innovative test of concept and pilot work to enable multi-professional workforce development. The session will demonstrate how workforce transformation and innovation is developed, transitioned and integrated into NHS core business using case studies from world-first HEE projects.

---

## **12:30 – Taking forward the Topol Review - Is digital technology the game-changer in meeting our workforce challenges?**

**Presented by:** Patrick Mitchell - Director of Innovation and Transformation, HEE and other speakers including Dr Tahreema Matin - Academic Clinical Lecturer in Radiology, HEE; James Freed - Chief Information Officer, HEE

**Location:** PUU4

Hear from leaders at the heart of the Topol Review on how technology needs to be central to delivering services and how we can prepare our current and future staff to use that technology.

---

## **14:20 – NHS Staff and Learners' Mental Wellbeing Report - the way forward**

**Presented by:** Professor Simon Gregory - Deputy Medical Director, Primary and Integrated Care, HEE; Dr Teresa Hewitt-Moran - Senior Programme Lead, HEE

**Location:** People Zone

Explore how the recommendations of the NHS Staff and Learners' Mental Wellbeing Report have fed into the NHS as a Better Place to Work group and thereby are being taken forward as part of the People Plan.

---

## **15:00 – Making apprenticeships work for me - a chief nurse's story of how they are remodelling their nursing workforce using apprenticeship pathways**

**Presented by:** Lisa Bayliss-Pratt - Chief Nurse, HEE; Ann-Marie Riley - Deputy Chief Nurse, Nottingham University Hospitals; Monica Korpál - Trainee Nursing Associate, Nottingham University Hospitals NHS Trust

**Location:** People Zone

Explore how a trust is improving patient care through delivering a nurse apprenticeship programme.

Visit HEE on Stand 77 to meet with senior leaders and share your views, thoughts and perspectives on our work.
