

Straight to the point of care

BMJ Best Practice gives medical professionals the best available information for any clinical situation. **Funded by Health Education England, free to all NHS staff.**

Search thousands of clinical topics and over 6,000 clinical guidelines.

Nearly 500 patient leaflets which provide concise, userfriendly summaries.

Access anywhere, online and offline with the BMJ Best Practice app.

Get step-by-step guidance via our unique treatment algorithm tables.

Check prescription guidance using BNF, BNFC and over 500 medical calculators.

Stay current with Important Updates and Cochrane Clinical Answers highlighted within each topic.

Ensure your ongoing professional development, with automatic CME/CPD tracking.

Watch videos on common procedures.
