Overview

At this in person event, delegates will hear about practice learning approaches and best practice examples funded by the Targeted Practice Education Programme across each of the three ICB areas in the NW.

They will also be addressed by the NW Nursing and Midwifery Student Council.

There will be a focused table discussion regarding ongoing practice learning challenges and pressures, with opportunities to consider some solutions.

Getting to DW Stadium

Directions for getting to DW Stadium are available [here](#)

Via Car

Please use postcode **WN5 0UN** for sat nav and access via Stadium Way.

Parking

Please be mindful that the Wigan Warriors car park adjacent to the DW Stadium is not under the stadium remit and is chargeable.

Via Train

Nearest train stations to the stadium are **Wigan North Western** and **Wigan Wallgate**.

The DW Stadium is a 20-minute walk from either station, covering just over one mile along a well-lit main road and canal towpath.

- From Wigan Wallgate train station take the main exit and turn right.
- From Wigan North Western train station exit onto the road, cross over the road and turn left.
- *Following the first step from either station:* Walk under the railway bridge and after approx. 5 mins you will reach No. 1 Wigan Pier (Domino's is on your left); keep right

where the one-way road system forks and pass National Tyres on your right and Wigan Pier on your left, walking straight ahead.

- After another 5 mins and immediately after Seven Stars Motors turn right. Proceed to the end of this road and join the canal towpath underneath the railway bridge.
- Continue along the towpath for another 5 mins, with the service yard of B&Q on your left, until you reach the black and white canal footbridge; you will then see the DW Stadium on your left. After the footbridge, take the next service road on your left signposted 'Emergency Vehicles Only' and follow this road over the bridge.
- The bridge delivers you to the south east corner of the DW Stadium.
