

Health Education England exists for one reason only: our **vision** is to help improve the quality of life and health and care services for the people of England by ensuring the workforce of today and tomorrow has the right skills, values and behaviours, in the right numbers, at the right time and in the right place.

Our **purpose** as part of the NHS, is to work with partners to plan, recruit, educate and train the health workforce.

We are people centred, committed to the NHS Constitution, and driven by our **values** of responsibility, inclusiveness, fairness, and confidence.

Our **goals** are to deliver and reform education to produce the best possible **future workforce**; to transform the **current workforce** to meet tomorrow's health and care needs; and ensure the **quality** of our education and training system.
