

HEE is part of the NHS, and we work with partners to plan, recruit, educate and train the health workforce.

Strategic goals

Future workforce

Reform clinical education to produce the highest quality new clinical professionals ever in the right number.

Current workforce

Transform today's workforce to work in a co-operative, flexible, multi-professional, digitally enabled system.

Quality

Assure and deliver with partners, quality education and training that is rigorous, highly sought after and future focused.

Multi-professional education and training investment plan

Investing in the health workforce of today and tomorrow

Objectives

Increase supply of nurses and AHPs

Widen access to health careers

Increase GP training places

Increase Mental Health and Cancer workforce

Increase primary care professionals

Medical education reform

Objectives

Multi-disciplinary team expansion

Advanced clinical practice expansion

Develop Operating Model and ICS relationships

Strengthen volunteer and carer training

Objectives

Patient safety syllabus

Quality framework and strategy

Learners' voices are heard

Learning environment improvement

Our foundations for success

Best Place to Work

We will collaborate to maximise our individual and collective potential by becoming a great place to work.

Continuous Quality Improvement

We will operate a culture of continuous improvement in the delivery of our priorities.

Governance and decision making

We will be well governed with fair, timely, robust and inclusive decision making.

Digital First

We will engender the right culture, environment and support to enable all HEE staff to create the best digital services for our users.

Partnership, co-operation and collaboration

We will work with partners to deliver shared priorities to improve the NHS.

Our values

Responsible

Inclusive

Confident

Fair

Value for money
HEE will spend money wisely to achieve our intended outcomes.
