Announcement	Jane Gardner-Florence (Jane.Gardner-Florence@hee.ac.uk)	We will be recording today's webinar, you will find it on the HEE website
Announcement	Jane Gardner-Florence (Jane.Gardner-Florence@hee.ac.uk)	Please allow a couple of days for it to be added.
Response	Anonymous (Unverified)	Fab talk Sophie!
Announcement	Jane Gardner-Florence (Jane.Gardner-Florence@hee.ac.uk)	We'll check with Sophie if we can share the slides along with the video
Question	Anonymous (Unverified)	First placement was with another student, which I didn't particularly like
Question	Helen Lycett (Unverified)	In my experience it's not so much the thoughts of having more than one placement
Question	Helen Lycett (Unverified)	In my experience it's not so much the thoughts of having more than one placement
Response	Jane Gardner-Florence (Jane.Gardner-Florence@hee.ac.uk)	Yes, we'll share the recording on the HEE website: <a href="https://www.hee.nhs.uk/recordings">https://www.hee.nhs.uk/recordings</a>
Response	Jane Gardner-Florence (Jane.Gardner-Florence@hee.ac.uk)	Please allow a couple of days (sorry I was delayed), will it be possible to access a recording later?
Response	Anonymous (Unverified)	Thank you (sorry I was delayed), will it be possible to access a recording later?
Question	Anonymous (Unverified)	Sorry I was delayed, will it be possible to access a recording later?
Response	David Marsden (David.Marsden@hee.ac.uk)	Yes, link at the top :-)(sorry I was delayed, will it be possible to access a recording later?
Question	Anonymous (Unverified)	Some of these models are more challenging in community service placements
Question	Anonymous (Unverified)	I work part-time and would not normally be included in educator placements
Question	Anonymous (Unverified)	Some of these models are more challenging in community service placements
Question	Anonymous (Unverified)	I work part-time and would not normally be included in educator placements
Question	Anonymous (Unverified)	How is this going to be possible in community settings when we have a limited number of placements?
Question	Anonymous (Unverified)	How is this going to be possible in community settings when we have a limited number of placements?
Question	Anonymous (Unverified)	Logistical issues to having multiple students on a face-to-face placement
Question	Anonymous (Unverified)	Logistical issues to having multiple students on a face-to-face placement
Question	Jane (Unverified)	We are having difficulty with information governance as many placements are in community settings
Question	Andrew Keavey (Unverified)	The daily learning log can be used as part of an evidence-based approach as
Question	Anonymous (Unverified)	This also relies on having face-to-face placements, our last few students won't even make a phone call!!! How can they be supported?
Question	Jane (Unverified)	We are having difficulty with information governance as many placements are in community settings
Question	Anonymous (Unverified)	Some services only run Monday-Friday (e.g. Radiotherapy) and extended hours placements are not possible
Question	Andrew Keavey (Unverified)	The daily learning log can be used as part of an evidence-based approach as
Question	Anonymous (Unverified)	This also relies on having face-to-face placements, our last few students won't even make a phone call!!! How can they be supported?
Question	Anonymous (Unverified)	IG policies are not yet robust enough to give guidance on how to manage information governance in community placements
Question	Anonymous (Unverified)	Some services only run Monday-Friday (e.g. Radiotherapy) and extended hours placements are not possible
Question	Andrew Keavey (Unverified)	The daily learning log can be used as part of an evidence-based approach as
Question	Anonymous (Unverified)	Like the idea of a 'pick and mix' approach
Question	Anonymous (Unverified)	How about the possibility of extended HEI working so that placements can be made in community settings?
Question	Leanne Evans (Unverified)	Are we able to access these slides please?
Question	Barbara Engel (Unverified)	Who is paying for non-clinical coach time?
Question	Anonymous (Unverified)	How about the possibility of extended HEI working so that placements can be made in community settings?
Question	Barbara Engel (Unverified)	Who is paying for non-clinical coach time?
Question	Leanne Evans (Unverified)	Are we able to access these slides please?
Question	Anonymous (Unverified)	IG policies are not yet robust enough to give guidance on how to manage information governance in community placements
Question	Anonymous (Unverified)	Like the idea of a 'pick and mix' approach
Question	Anonymous (Unverified)	We have only seen your title, we started by adapting CLIP which worked well in a variety of in-patient placements
Question	Anonymous (Unverified)	Difficult for staff to provide a nurturing environment when they don't have a dedicated placement
Question	Anonymous (Unverified)	Restrictions in community services increased working from home
Question	Anonymous (Unverified)	We have only seen your title, we started by adapting CLIP which worked well in a variety of in-patient placements
Question	Anonymous (Unverified)	How would you define a "leadership" placement? What does this mean?
Question	Anonymous (Unverified)	Difficult for staff to provide a nurturing environment when they don't have a dedicated placement
Question	Anonymous (Unverified)	How would you define a "leadership" placement? What does this mean?

Question	Anonymous (Unverified)	Restrictions in community services increased working from home
Question	Susie (Unverified)	We are being asked to increase the number of placements that we
Question	Susie (Unverified)	We are being asked to increase the number of placements that we
Question	Jane Bunce (Unverified)	I just wanted to reiterate that with models such as CLiP, preparati
Question	Jane Bunce (Unverified)	I just wanted to reiterate that with models such as CLiP, preparati
Question	Tess (Unverified)	Great idea working through a patient pathway but some services i
Question	Tess (Unverified)	Great idea working through a patient pathway but some services i
Question	Gina (Unverified)	We have to work alongside others it is good for them to learn that
Question	Anonymous (Unverified)	It often feels like HEI are so keen to fill placemetns, they send any
