# Education and Training Tariff Guidance 2023 to 2024

## Summary of changes for 2023 to 2024

### 1. Purpose of the guidance

22/23 paragraph	23/24 paragraph	Summary of change made
1.1	1.1	Confirmation that the purpose of the 2023 to 2024 guidance document is to confirm the changes to the education and training tariffs from 1st April 2023.

### 2. Overview and Background

22/23 paragraph	23/24 paragraph	Summary of change made
2.2	2.2	As well as the HEE Quality Framework, the Quality and Improvement Outcomes Framework for NHS Funded Knowledge and Library Services has been highlighted and a link provided.
2.4	2.4	A link to the funding section of the HEE website has been added to this paragraph.
2.7 – 2.10	2.7 – 2.11	<p>The summary of changes made in the 2022 to 2023 guidance have been noted in the relevant sections of the 2022 to 2023 guidance as business as usual.</p> <p>Due to the significant changes made to the education and training tariff from 1st September 2022, these paragraphs confirm that no further significant changes have been made in 2023 to 2024 to allow these changes to bed in.</p> <p>Only minor changes have been made to the guidance in the 2023 to 2024 guidance where clarity has been requested by stakeholders or where paragraphs no longer apply.</p>
2.11	2.13	A bullet point has been added to this section to clarify the criteria that must be met for a placement provider to be eligible for the postgraduate medical tariff.

## Education and Training Tariff Guidance 2023 to 2024

22/23 paragraph	23/24 paragraph	Summary of change made
2.11	2.13	<p>The bullet point relating to workplace shadowing and assistantship has been updated. The guidance now confirms that the placement must not be a post-graduation assistantship in undergraduate medicine.</p> <p>Pre-graduation assistantship/activities are covered by the undergraduate medical (UGM) tariff.</p>
NA – new	2.20 – 2.22	Three additional paragraphs have been added to the guidance to provide further detail about how the education and training tariffs support the provision of Knowledge and Library Services.

### 3. Tariff payments for 2023 to 2024

22/23 paragraph	23/24 paragraph	Summary of change made
3.1	3.1	<p>Table 1 within the 2023 to 2024 guidance confirms the updated prices for each of the tariff types from the 1st April 2023. For clarity, these updated prices are:</p> <p>Clinical = £5,193 plus MFF per full time equivalent (FTE)</p> <p>Medical Undergraduate = £31,937 plus MFF</p> <p>Medical Postgraduate = £12,398 plus MFF</p> <p>Dental Undergraduate = £33,504 plus MFF</p>
3.2	3.2	The link has been updated to the NHS England published market forces factor (MFF) figures for 2023 to 2024.

# Education and Training Tariff Guidance 2023 to 2024

## 4. Clinical tariff

22/23 paragraph	23/24 paragraph	Summary of change made
4.1	4.1	Confirms that the clinical placement tariff has been uplifted from 1st April 2023 to reflect inflation within the outcomes of the spending review.
4.8	4.8	This paragraph has been updated to confirm that for Pharmacy, placements within the pharmaceutical industry sector are not eligible for the clinical tariff.

## 5. Undergraduate Medical tariff

22/23 paragraph	23/24 paragraph	Summary of change made
5.1	5.1	<p>Confirms that the undergraduate medical tariff price for 2023 to 2024 has been uplifted for inflation within the outcomes of the spending review.</p> <p>Confirmation that a new annex (Annex D) has been added to this guidance to reflect the tariff arrangements for undergraduate medical placements within Private, Independent and Voluntary sector Organisations (PIVOs).</p>

## 6. Undergraduate Dental Tariff

22/23 paragraph	23/24 paragraph	Summary of change made
6.1	6.1 – 6.2	<p>Confirms that the undergraduate dental (UGD) tariff price for 2023 to 2024 has been uplifted for inflation within the outcomes of the spending review.</p> <p>As the undergraduate dental tariff was only introduced from 1st September 2022, no further significant changes have been made in 2023 to 2024 to allow these changes to bed in.</p>

## Education and Training Tariff Guidance 2023 to 2024

22/23 paragraph	23/24 paragraph	Summary of change made
6.6	6.5	Due to the introduction of the new Annex for undergraduate medical placements in PIVOs, the undergraduate dental annex is now Annex E.

### 7. Postgraduate Medical tariff

22/23 paragraph	23/24 paragraph	Summary of change made
7.1	7.1	<p>Confirms that the postgraduate medical tariff price for 2023 to 2024 has been uplifted for inflation within the outcomes of the spending review.</p> <p>Confirmation of the uplift of the salary contributions made by HEE for postgraduate medical placements within scope of tariff. Confirmation of the salary contributions made by HEE can be found in Annex A.</p>
7.4	7.4	Confirmation that the medical postgraduate tariff is not applicable to Out of Programme Career Breaks (OOPC) where postgraduate doctors in training temporarily step off the standard training programme.

### 8. Further information and Guidance

22/23 paragraph	23/24 paragraph	Summary of change made
8.2 – 8.5	8.2 – 8.5	Throughout these paragraphs, reference to Integrated Care Systems (ICS) has been updated to Integrated Care Boards (ICB)
NA – new	8.14	This paragraph has been added to confirm the NHS Education Contract arrangements for Private, Voluntary and Independent Organisations (PIVOs)

# Education and Training Tariff Guidance 2023 to 2024

## Annex A – Postgraduate Medical Salary Contributions

The salary contributions that NHSE will pay for each medical postgraduate placement has been updated to account for inflation within the outcomes of the spending review. Please see the tariff guidance for full details.

## Annex B – Scope of UGM tariff in secondary care

Annex B has been reviewed and updated by a Task and Finish group, reporting to the Undergraduate Medical Tariff Working Group (UMTWG). Please see the tariff guidance for full details.

## Annex C – Guidance for funding of UGM GP clinical teaching

Annex C has been reviewed and updated by a Task and Finish group, reporting to the Undergraduate Medical Tariff Working Group (UMTWG). Please see the tariff guidance for full details.

## Annex D – Guidance for funding of UGM placements in PIVOs

Annex D is now an Annex to provide guidance for the funding of UGM placements in Private, Independent and Voluntary Organisations. The Annex related to undergraduate dental is now Annex E. Please see the tariff guidance for full details.

## Annex E – Scope of UGD tariff for all clinical placements

Annex E has been reviewed and updated by a Task and Finish group, reporting to the Dental Tariff Advisory Group (DTAG). Please see the tariff guidance for full details.
