This event is for key professionals in leadership roles in mental health services within integrated teams working across the NHS, local authorities and other agencies. It will share the latest developments from the Health Education England New Roles in Mental Health Social Work Group.

You will have the opportunity to hear about each of the following topics and engage with key people from the group:

- development of the Approved Mental Health Professional role
- development of the Multi-Professional Approved Clinician/Responsible Clinician role
- guidance for NHS Trusts on the employment of social workers
- development of the Mental Health Social Work Leadership website
- models of integration – roles and resources.
